Hi Mike

We were informed that Wayne Krafft is the contact at Washington Department of Ecology Eastern Regional Office in Spokane. He can be reached at (509) 329-3438 and akra461@ecy.wa.gov or wayne.krafft@ecy.wa.gov.

I copied you on the forwarded email notification.

Please let us know if you need any additional information before we proceed with the IDW disposal.

Hello Mike,

In accordance with paragraph 43b of the AOC, CFAC is required to notify the state official in the state where IDW is being sent. As per my previous email, we intend to send the soil IDW to waste management in Washington. Do you by chance have a contact for someone at Washington Department of Ecology so that we can forward the email notification?
